EXPERIENCE

Bloomberg Law

Heath Policy Reporter | May 2018 - Present

- Covering health-care policy at HHS and on Capitol Hill, including drug pricing, the move to value-based care, and changes to the ACA
- Writing unique enterprise stories about a wide variety of health-care topics, including health-care consolidation, rural care, and LGBT health
- Making appearances on Bloomberg TV, Bloomberg Radio, and C-SPAN
- Finalist for Q2 2018 Beltz award, an internal award for editorial excellence

The Washington Post

Metro Desk Intern | September 2017 - May 2018

- Reported from Washington on local community activities, education, local politics and crime online and in print
- Awarded internship through a competitive "dean's intern" program
- Stories included coverage of a youth civil rights summit, STEM education in Washington-area universities and the Virginia gubernatorial election.

Bloomberg BNA

Editorial Intern | May 2017 - August 2017

- Reported from Capitol Hill and Washington on banking, securities regulations, corporate governance and antitrust policy
- Had four stories in the TOP section of the Terminal
- Finalist for Q3 2017 Beltz award.

The Durango Herald

Washington Intern | January 2017 - May 2017

- Reported from Capitol Hill for Southwest Colorado's Durango Herald, its sister newspaper and its website
- Localized national policy issues by attending committee hearings, meeting with officials and interviewing members of Congress, with a focus on the Colorado delegation
- Wrote articles for a print circulation of 5,000 and an online circulation of 300,000 users per month.
