Educational History

American University

Bachelor of Arts, Journalism

Minor: Biology

Graduated in three years, took multiple graduate-level reporting courses

Work Experience

Bloomberg Law

HHS Reporter, Oct 2019 - Present

Heath Oversight Reporter, Jan - Sept 2019

Medicare Reporter, May - Dec 2018

- Lead reporter covering Covid-19 across all of Bloomberg, including PPE shortages, aid distributions, and new HHS policies
- Spearheaded collaboration with Bloomberg News, including breaking news with colleagues, being relied upon by their editors, and sharing information across the world
- Promoted after one year for taking on more responsibility and exceeding expectations
- Over 300 bylines per year, including scoops, enterprise, and data stories
- Making regular appearances on Bloomberg TV, Bloomberg Radio, C-SPAN, and local radio
- Regularly have stories cited or matched by other news outlets, at least 25 to date
- Seen as a go-to reporter for unique story ideas about how health policy affects everyday people
- Aggressively pursuing sources and scooping the competition
- Championing diversity, equity, and inclusion policies within the newsroom and my own coverage as a member of the newsroom D&I committee

The Washington Post

Sept 2017 - May 2018, Metro Desk Intern

- Reported from Washington on local community activities, education, local politics and crime online and in print
- Awarded internship through a competitive "dean's intern" program

The Durango Herald

Jan 2017 - May 2017, Washington Intern

- Reported from Capitol Hill for Southwest Colorado's Durango Herald, its sister newspaper and its website
- Localized national policy issues by attending committee hearing and interviewing members of Congress, with a focus on the Colorado delegation
- Wrote articles for a print circulation of 5,000 and an online circulation of 300,000 users per month.
